Allowed Amounts

Allowed Amounts are the amount we determine that we will pay for Benefits.

- For Network Benefits for Covered Health Care Services provided by a Network Provider, except for your cost sharing obligations, you are not responsible for any difference between Allowed Amounts and the amount the provider bills.
- For Covered Health Care Services that are Ancillary Services received at Network facilities on a non-Emergency basis at which, or as a result of which, services are received from out-of-Network Providers, you are not responsible, and the out-of-Network provider may not bill you, for amounts in excess of your Co-payment, Co-insurance or deductible. You shall pay no more than the same cost sharing than you would pay for the same Covered Health Care Services received from a Network Provider.
- For Covered Health Care Services that are *non-Ancillary Services received at certain Network facilities on a non-Emergency basis from out-of-Network Physicians who have not satisfied the notice and consent criteria or for unforeseen or urgent medical needs that arise at the time a non-Ancillary Service is provided for which notice and consent has been satisfied as described below*, you are not responsible, and the out-of-Network provider may not bill you, for amounts in excess of your Co-payment, Co-insurance or deductible which is based on the Recognized Amount as defined in the Combined Evidence of Coverage and Disclosure Form.

Allowed Amounts are determined in accordance with our reimbursement policy guidelines or as required by law, as described in the Combined Evidence of Coverage and Disclosure Form.

For Network Benefits, Allowed Amounts are based on the following:

- When Covered Health Care Services are received from a Network provider, Allowed Amounts are our contracted fee(s) with that provider.
- When Covered Health Care Services are received from an out-of-Network provider as arranged by us, including
 when there is no Network provider who is reasonably accessible or available to provide Covered Health Care
 Services, Allowed Amounts are an amount negotiated by us or an amount permitted by law. Please contact us if you

When Covered Health Care Services are received from an out-of-Network provider as described below, Allowed Amounts are determined as follows:
