

Medication list for 90-day retail and home delivery programs

Effective January 1, 2025

This is a list of the most commonly prescribed chronic medications (e.g., taken on an ongoing basis) in each therapeutic class that are covered by your plan.

This is not a complete list of all the covered maintenance medications. Call us at the number on your health plan ID card if you have questions about a specific medication not on this list or about how to fill prescriptions.
