

Get more from your health plan. Get to know SelectColorado.

Description:

Video opens up with a hand lifting a clip board along with the following on- screen texts:

Get more from your health plan

Get to know SelectColorado

Narrator:

Choosing a health plan that works for you? It's a big deal. So it's good to know that SelectColorado from UnitedHealthcare is built with more benefits and a simpler experience in mind.

Description:

Animations of solving a puzzle is shown with the following on-screen texts:

A complete network for quality care

Get health guidance and coordinate your care

Narrator:

This plan helps you access quality care and achieve your best health by requiring each covered family member to choose a primary care physician, or PCP.

Your PCP is your health guide and partner, coordinating your care and working with you to reach your goals.

Description:

Animation of a car driving is shown with the following on-screen text:

Go anywhere in your network

- UHealth and its affiliated providers
- SCL Health
- Children's Hospital Colorado
- CU Medicine
- and more . . .

Narrator:

An extensive care network means more choices. Visit providers in any of these groups. You can learn more on your dedicated member website.

Description:

Scene shows additional plan benefits for SelectColorado, including:

- \$0 copay for PCP visits
- \$0 copays for convenience care visits
- Choosing Tier 1 providers may offer the greatest value*

Narrator:

With SelectColorado you can get in-network preventive and non-preventive care designed to help fit your budget.

Description:

Scene describes a streamlined care experience with different ways to access care:

A streamlined experience

- Online tools help you get familiar with your plan
- More convenient ways to fill prescriptions
- PCPs deliver highly coordinated care, which may help reduce redundant tests and services

Narrator:

Talk about a streamlined experience—Select Colorado works to keep things simpler and more convenient for you. Here are just a few easy ways you can access care to help get the most from your benefits.

Description:

Scene describes more ways to access quality care, including:

Convenient Access to Care

- 24-hour online doctor visits
- Choose from a network of quality physicians
- Large local provider network and service area
- Access to the nationwide Select network

Narrator:

Need quality care? You got it. With flexible options for added accessibility, you have choices for where, when, and how to meet with your care providers.

Description:

Scene prompts the viewer to call the number on your screen or to contact your UHC representative.
